Description

1937 Derby Bentley 4.25 Litre Drop head

Chassis number: B-183-JY

Rgistration number: T7 (Goes With car.)

A beautifully executed 4.25 Litre VanDen Plas Style tourer. This car started life as a Park Ward saloon & was rebodied post war with the rakish coach work we find on the car today.

This Two-seater Sports Tourer comes complete with full flowing wings, distinctive cut-away doors, chrome side strakes, rear wheel spats and an enclosed spare wheel cover. There is a huge luggage platform behind the front seats which could easily have a single or bench seat fitted to allow it to carry more passengers.

The car comes resplendant in its bright blue paintwork with darker blue hide to the interior, all in beautiful order. The T7 number plate first issued in Devon comes with the car.

The car is currently having a service completed by ourselves & a new hood bag constructed to tidy up the hood when in the furled position. Mechanically the car is strong with a quiet engine, smooth ride & effortless gear box.
